It's Friday and my bills are due
My 3 month old baby need some shoes
Can you feel what I'm going through
Clock on the wall keeps tickin tockin
No stoppin and somebodys knockin
On the do tellin me to go
Brotha I can't take no mo
So with my knees I hit the flo
And say help me Jesus, help me Jesus

Let's go down by the riverside
leave your problems all behind
you can rest troubled mind
down by the riverside

Interlude
(What did you say?)

If I concentrate on all the bad
And all the things I wish I had
How can the dark clouds ever pass
Weeping may endure for a night
But joy comes in the morning light
Gotta keep the spirit right
So no matter what the people say
Ain't nobody takin this joy away
In spite of everything I've been through I can say
Thank you Jesus, Thank you Jesus, Thank you Jesus

Let's go down by the riverside
leave your problems all behind
you can rest troubled mind
down by the riveside

(What did you say)

Wao, wao, wao

There's a blessin in the water yao, ao
By the riverside, Say what now
There's a healin in the water yao, au
By the riverside, Say what now!
